

Confidentiality & Safety Agreement

Unburied Tools — Peer Support Operations Toolkit

For participants in peer support groups.

Our Commitment

We create a space where people can speak honestly without fear.

Confidentiality

1. Everything shared in this group stays in this group.
2. No screenshots, recordings, or notes that identify others.
3. Outside the group, do not discuss other members or stories.

Exceptions (required by law)

We may need to break confidentiality if:

- Someone is at immediate risk of serious harm
- There is suspected abuse of a child, elder, or vulnerable adult
- We receive a valid legal order

If we must break confidentiality, we will tell you first.

Safety Guidelines

- No fixing. Peer support is not advice-giving.
- Share what you are comfortable with.
- One person speaks at a time.
- Avoid identifying details when sharing.
- No solicitation or self-promotion.
- Attend without influence of alcohol or substances.

Between Sessions

- Exchange contact info only if everyone agrees.
- Facilitators are available during sessions only.
